

#WeAreOneUs Opportunity! The Difference is YOU! Cheer on The Overcomers - Show your support WATCH LIVE SEPTEMBER 26 11am - 1pm AS THE 21 FOUNDING OVERCOMERS OFFICIALLY LAUNCH #WeAreOneUs!

What #WeAreOneUs Is About: A significant number of *Overcomers* who have crushed the churn of homelessness themselves by solving their own *root causes* will step forward beginning Sep 26, 2020. They will join forces with a cadre of professionally handpicked staff, volunteers, and stakeholder impact investors. **Together as one** we will square off against **The Churn** to save hundreds more homeless parents, their kids and many others from its devastating grip. *Our marching orders* are simple. We must step forward together and lean into a very tough environment, a landscape that is antithetical to our mission, and we must **make lots more Overcomers** and inspire as many as possible to join with us in our mission to **Crush the Churn**.

When the Least of Us Become the Best of Us, Then...

The Mission: Lead a *local systems change* effort, synched up with national systems change visionaries, that will provide evidenced based outcomes of SFC's bottom left to top right results to national leaders.
Short version: **Make Overcomers – Crush the Churn!**

THINGS YOU CAN DO TO HELP THE OVERCOMERS CRUSH THE CHURN AND SAVE MORE LIVES!

Pray! The Overcomers are SUPER COOL but they aren't super heroes! The Churn is big, gnarly and tough! They need your prayers to stay focused and balanced in their respective **Serve to Solve** assignments!
