

Prepare and Serve Volunteer Opportunity

We agree that everyone deserves to be part of a safe and healthy community. Join us in this cause by signing up to provide dinner for the newest families in our program. You will not only be providing essential food for these previously homeless families, but also become a part of the supportive community that they experience at Solutions for Change.

Here's how:

1. Sign up for a date on our [website](https://www.solutionsforchange.org) or email kmartinez@solutionsforchange.org for available dates
2. Receive an email with the expected number of servings needed and further instructions

We recognize that this is an unpredictable and scary time and hope to partner with you at your comfort level. On your dinner date, you can choose to provide and serve dinner in one of three ways:

1. In person while following new safety precautions
2. Dropping off dinner at the Main Campus (722 W. California Ave. Vista, CA 92083)
3. Sending a food delivery order to the Main Campus (722 W. California Ave. Vista, CA 92083)

*Please let us know prior to your serve date, how you will be serving via email when you receive the dinner headcount.

DINNER POLICIES:

- We ask that volunteers who are not vaccinated, please continue to wear a mask.
- We ask volunteers to wear gloves while serving.
- Volunteers will sign in, prior to serving.
- Dinner will be served in an outdoor area.
- Hand sanitizer will be readily available at both the volunteer check-in and serving table.
