

IAC Dinner Volunteer Opportunity

PROVIDE DINNER FOR FAMILIES AT SOLUTIONS FOR CHANGE

We agree that everyone deserves to be part of a safe and healthy community. Join us in this cause by signing up to provide dinner for the newest families in our program at the Intake and Access Center. You will not only be providing essential food for these previously homeless families, but also a part of the supportive community that they experience at Solutions for Change.

Here's how:

1. Sign Up!

Fill out your volunteer application and sign up for a date on our website or by emailing efauber@solutionsforchange.org

2. Learn

Learn everything you'll need to know about serving. Receive an email from the volunteer team the week before your dinner date with the number of people you will be providing dinner for and additional reminders.

3. Serve, Drop Off or Deliver

Choose how you'd like to provide the meal based on your comfort level. Either arrive or have food delivered at 5pm to the Intake and Access Center.

IAC DINNER POLICIES:

- All meals/food should be purchased, already prepared from a licensed kitchen.
* Unfortunately, we are unable to allow home cooked meals.
- Before serving, volunteers will be required to complete a temperature check at the IAC, as well as wear a mask and gloves while serving.
- Before serving at the IAC, Volunteers will sign an additional waiver related to COVID'19
