## Independent Auditor's Report

To the Board of Directors  
Solutions for Change, Inc.

### Report on the Audit of the Consolidated Financial Statements

#### *Opinion*

We have audited the accompanying consolidated financial statements of Solutions for Change, Inc. (a nonprofit organization), which comprise the consolidated statements of financial position as of December 31, 2024 and 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Solutions for Change, Inc. as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Solutions for Change, Inc., and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Solutions for Change, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Solutions for Change, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Solutions for Change, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information on pages 28 to 33 is presented for purposes of additional analysis, and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is also not a required part of the consolidated financial statements. Such information is the responsibility of management, and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2025, on our consideration of Solutions for Change, Inc.'s internal control over financial reporting, and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Solutions for Change, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Solutions for Change, Inc.'s internal control over financial reporting and compliance.

The mission of Solutions for Change is to solve family homelessness – one family, one community at a time. With this goal, Solutions has pioneered an innovative and sustainable solution for homeless families in our community—an effort that has led more than 900 families and 2,400 children out of homelessness since 1999. The Solutions model is built on three pillars—Solutions University, Solutions Farms, and Solutions in the Community. Solutions University evaluates each family’s needs, then addresses them through an individualized and holistic personal development engagement intended to permanently end dependency and improve well-being. Solutions Farms is a social enterprise that combines employment training for Solutions University residents while growing certified organic produce using cutting-edge aquaponics technology. The produce is supplied to local school districts, where tens of thousands of school children consume the food. Meanwhile, Solutions in the Community is an intentional means to re-connect resident families to their communities of origin. Through opportunities of service and engagement, families develop healthy connections and relationships that provide a sense of belonging. Solutions in the Community is also a partnership to improve distressed areas through the development of affordable rental housing, community revitalization and renewal.

**SOLUTIONS FOR CHANGE, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**Note 2 - Significant Accounting Policies:**

**Consolidated Financial Statements**

The consolidated financial statements include the accounts of Solutions for Change, Inc.; Solutions Family Center, L.P.; Solutions Farms, LLC; Solutions Escondido Boulevard, LLC; SFC Weitzel, LLC; Solutions Chestnut, LLC; Solutions Vista Terrace, LLC; Solutions Parkview, LLC; Solutions EV, LLC, and Solutions East Vista Way, L.P., which are collectively referred to as the “Organization.” All material intercompany transactions have been eliminated in consolidation.

**Accounting Method**

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and, accordingly, reflect all significant receivables, payables, and other liabilities.

**Financial Statement Presentation**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes thereon are classified and reported as follows:

- Net Assets Without Donor Restrictions - Net assets available for use in general operations, and not subject to donor (or certain grantor) restrictions.
- Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires—that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Fair Value Measurements**

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value, and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy), and the reporting entity’s own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy). The Organization had no financial instruments at December 31, 2024 and 2023.

**SOLUTIONS FOR CHANGE, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**Note 2 - Significant Accounting Policies: (Continued)**

**Allowance for Credit Losses**

The Organization recognizes an allowance for credit losses on contracts and other receivables to present the net amount expected to be collected as of the consolidated statement of financial position date. Such allowance is based on the credit losses expected to arise over the life of the asset which is based on the expectation as of the consolidated statement of financial position date, aging reports and historical information. Contracts and other receivables are written off when the Organization determines such receivables are deemed uncollectible. Write-offs are recognized as a deduction from the allowance for credit losses. The allowance for credit losses totaled \$19,000 and \$25,000 for the years ended December 31, 2024 and 2023, respectively.

**Capitalization and Depreciation**

The Organization capitalizes all expenditures in excess of \$2,000 for property and equipment at cost, while donations of property and equipment are recorded at their estimated fair values. Such donations are reported as support without donor restrictions, unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Absent donor stipulations regarding how those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment is depreciated using the straight-line method over the estimated useful asset lives, as follows:

Land improvements	20 years
Buildings and improvements	5 - 40 years
Machinery and equipment	5 - 7 years
Furniture and fixtures	7 - 10 years
Vehicles	5 years

Depreciation totaled \$422,735 and \$493,923 for the years ended December 31, 2024 and 2023, respectively.

Maintenance and repairs are charged to operations as incurred. Major renewals or improvements are capitalized.

**Impairment of Real Estate**

The Organization reviews its property and equipment for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flows expected to be generated by the rental property, including any estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of real estate exceeds the fair value of such property. There were no impairment losses recognized in 2024 and 2023.

**SOLUTIONS FOR CHANGE, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**Note 2 - Significant Accounting Policies: (Continued)**

**Lease**

The Organization entered into a lease agreement for property through March 2024. Pursuant to the guidance for accounting for leases, the Organization accounts for operating and finance leases as noted below.

The Organization determines if an arrangement is a lease at inception. An arrangement is a lease if the arrangement conveys a right to direct the use of, and obtain substantially all of the economic benefits from, the use of an asset for a period of time in exchange for consideration. A lease is classified as a finance lease if any one of the following criteria are met: the lease transfers ownership of the asset by the end of the lease term, the lease contains an option to purchase the asset that is reasonably certain to be exercised, the lease term is for a major part of the remaining useful life of the asset or the present value of the lease payments equals or exceeds substantially all of the fair value of the asset.

For all leases at the lease commencement date, a right-of-use asset and a lease liability are recognized. The right-of-use asset represents the right to use the leased asset for the lease term. The lease liability represents the present value of the lease payments under the lease. The Organization uses the incremental borrowing rate in determining the present value of the lease payments. For finance leases, the Organization uses the rate implicit in the lease or the incremental borrowing rate.

The operating lease right-of-use asset also includes any lease payments made and excludes lease incentives. The lease term may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. The lease does not contain any material residual value guarantee or material restrictive covenants. Lease expense for lease payments is recognized on the straight-line basis over the lease term. Lease expense for finance leases consists of the amortization of the right-of-use asset on a straight-line basis over the lease term and interest expense determined on an amortized cost basis. The lease payments are allocated between a reduction of the lease liability and interest expense.

**Investments in Limited Partnerships**

Solutions for Change is the sole member of limited liability companies that own a general partner interest in limited partnerships. These ownership interests range from .005% to .01%, and are accounted for on the equity method.

**Compensated Absences**

Accumulated unpaid vacation totaling \$86,750 and \$84,438 at December 31, 2024 and 2023, respectively, is accrued as earned and included in accrued expenses.

**Tenant Trust Funds**

Tenant trust funds represent amounts held on behalf of tenants in savings accounts for program participants. Tenant trust funds totaled \$85,541 and \$77,985 at December 31, 2024 and 2023, respectively.

**Tenant Security Deposits**

Tenant security deposits are restricted to the extent of the tenant security deposit liability totaling \$80,903 and \$77,800 at December 31, 2024 and 2023, respectively.

**SOLUTIONS FOR CHANGE, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**Note 2 - Significant Accounting Policies: (Continued)**

**Net Assets Without Donor Restriction**

The Organization’s net assets without donor restriction include depreciation on property and equipment, amortization of capitalized costs, and accrued interest on loans for which the interest may only be paid from residual receipts. The amounts included in the net assets without donor restrictions are as follows at December 31:

	<u>2024</u>	<u>2023</u>
Accumulated depreciation	\$ 6,556,144	\$ 6,135,472
Interest payable – residual receipts	3,679,829	3,408,824
Accumulated amortization of debt issuance costs	4,311	4,311
	<u>\$ 10,240,284</u>	<u>\$ 9,548,607</u>

**Revenue Recognition**

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Contributions to be received in future periods are discounted at an appropriate discount rate. Amortization of discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Grant revenue is recognized in the period in which the related work is performed, in accordance with the terms of the grant. Grants receivable are recorded when revenue earned under a grant exceeds the cash received.

Rental income is recognized for apartment rents as it accrues. Advance receipts of rental income are deferred or classified as liabilities until earned. Deferred revenue from rental income totaled \$4,362 and \$-0- at December 31, 2024 and 2023, respectively.

Revenue from special events are recognized as revenue when the related event occurs. Receivables are recorded when the revenue earned exceeds the cash received. Deferred revenue is recorded when the cash received exceeds the revenue earned

Sales of property and equipment are recognized on the date the sale occurs. Upon the sale or disposition of property or equipment, the asset account is reduced by the cost, and the accumulated depreciation account is reduced by the depreciation taken prior to the sale. Any resultant gain or loss is then recorded as income or expense, unless the sale is the result of a related party transaction.

**Donated Services and Materials**

The Organization utilizes the services of many volunteers throughout the year. This contribution of services by the volunteers is not recognized in the consolidated financial statements, unless the services received (a) create or enhance nonfinancial assets, or (b) require specialized skills which are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The donated services for the years ended December 31, 2024 and 2023 did not meet the requirements above; therefore, no amounts were recognized in the consolidated financial statements.

**SOLUTIONS FOR CHANGE, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**Note 2 - Significant Accounting Policies: (Continued)**

**Donated Services and Materials (Continued)**

The Organization received in-kind contributions of auction items for its special event totaling \$35,120 and \$34,236 for the years ended December 31, 2024 and 2023, respectively, which have been recorded as in-kind contributions in the consolidated statements of activities. The donated auction items are valued at the wholesale prices that would be received for similar products.

**Functional Allocation of Expenses**

The consolidated statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area are reported as expenses of those functional areas. A portion of expenses that benefit multiple functional areas have been allocated between programs and supporting services, based on a cost allocation plan that allocates costs based on the proportion of full-time employee equivalents, space utilization, and estimates made by the Organization's management.

**Income Taxes**

Solutions for Change is a public charity, and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. Solutions for Change believes that it has appropriate support for any tax positions taken, and, as such, does not have any uncertain tax positions that are material to the consolidated financial statements. Solutions for Change is not a private foundation.

No provision or benefit for income taxes for the Limited Liability Companies and Limited Partnerships have been included in these consolidated financial statements since taxable income (loss) passes through to, and is reportable by, the Member/Partners individually.

Solutions for Change's Return of Organization Exempt from Income Tax, Partnership and LLC tax returns for the years ended December 31, 2024, 2023, 2022 and 2021 are subject to examination by the Internal Revenue Service and State taxing authorities, generally three-to-four years after the returns were filed.

**Concentration of Credit Risk**

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

**Cash and Cash Equivalents and Restricted Cash**

For purposes of the consolidated statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. Certificates of deposits that may be redeemed without a significant penalty are considered cash and cash equivalents, regardless of the maturity.

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through December 8, 2025, the date the consolidated financial statements were available to be issued, and concluded that there were no events or transactions that needed to be disclosed.

**Note 3 - Liquidity and Availability:**

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments. The Organization considers contributions without donor restrictions and contributions with donor restrictions for use in current programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing programs as well as the conduct of services undertaken to support those activities to be general expenditures.

The table below presents financial assets available for general expenditure within one year at December 31:

**Independent Auditor’s Report on Internal Control Over  
Financial Reporting and on Compliance and Other Matters  
Based on an Audit of Financial Statements Performed in  
Accordance With *Government Auditing Standards***

To the Board of Directors  
Solutions for Change, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Solutions for Change, Inc. (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the consolidated financial statements, and have issued our report thereon dated December 8, 2025.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered Solutions for Change, Inc.’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Solutions for Change, Inc.’s internal control. Accordingly, we do not express an opinion on the effectiveness of Solutions for Change, Inc.’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section, and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Solutions for Change, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as items 2024-001, 2024-002, 2024-003 and 2024-004.

### **Solutions for Change Inc.'s Response to Findings**

*Government Auditing Standards* requires the auditor to perform limited procedures on Solutions for Change, Inc.'s response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. Solutions for Change, Inc.'s response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance  
for Each Major Program and on Internal Control Over  
Compliance Required by the Uniform Guidance**

To the Board of Directors  
Solutions for Change, Inc.

**Report on Compliance for the Major Federal Program**

***Opinion on the Major Federal Program***

We have audited Solutions for Change, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on Solutions for Change, Inc.'s major federal program for the year ended December 31, 2024. Solutions for Change, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Solutions for Change, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on the major federal program for the year ended December 31, 2024.

***Basis for Opinion on the Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Solutions for Change, Inc., and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Solutions for Change, Inc.'s compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above, and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Solutions for Change, Inc.'s federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Solutions for Change, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Solutions for Change, Inc.'s compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Solutions for Change, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Solutions for Change, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances, and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Solutions for Change, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### ***Other Matters***

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as item 2024-005. Our opinion on the major federal program is not modified with respect to this matters.

Solutions for Change, Inc.'s response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Solutions for Change, Inc.'s response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above, and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance, and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
