Thank you for your interest in volunteering at Solutions for Change!

We would love to match you up with the volunteer opportunity that works best for you. Solutions for Change’s day to day operations rely on our amazing volunteers – they play an integral part in transforming the lives of the families we serve.

Prepare and Serve Dinner (All ages)
Every night of the year, we have a volunteer group prepare and serve dinner to our newest residents, those in the Intake and Access Center. These residents have been here anywhere from 1 day to 2 months. This is a great opportunity for families (including children) and small groups to interact with our new residents and experience first-hand, the impact serving others has for the 20 – 50 residents (half are children) are living here.

Kid Zone Helpers (Ages 16+)
Do you like to work with kids? Every Monday and Thursday evening and Saturday morning, volunteers provide childcare for our residents’ children so that they can participate in mandatory programming meetings or recovery meetings. Volunteers must be 18 or older, or 16 and older if accompanied by a parent or adult advisor.
*Kid Zone volunteers are required to complete an application, short orientation, and background check.

Quarterly Graduation Childcare (Ages 14+)
It is Graduation time again at Solutions for Change! Every quarter, we have residents who are ready to commence and graduate from our program, and we are ready to celebrate their tremendous success! Did you know that 93% of Solutions’ graduates have not returned to homelessness? We want every one of our residents to have the opportunity to attend Graduation. In order for this to be possible, we are in need of volunteers, to serve in our childcare. Volunteer will be responsible for playing with children ages 1-12 in a group setting. We will be arranging snacks and activities for each age group. Our next graduation will be in September. Please let us know if you would like to be added to the graduation volunteer interest list for September.

For more information, or to sign-up please email
Emily Fauber  efauber@solutionsforchange.org
GED Tutoring
We have several residents who are working hard to complete their GED test. Every Thursday, these residents attend GED tutoring led by one of our amazing volunteers! We are currently in need of additional GED tutors on Thursdays from 10am-12pm to work one-on-one with residents as they practice reading, writing, and math skills.

Solutions Farm (Ages 16+)
Are you looking for an opportunity to transform lives while improving the environment? We have an exciting opportunity at the Farm to get your hands dirty, literally. Solutions Farms is creating a volunteer auxiliary and we want to add you. Help us help families through volunteering at Solutions Farms while learning about aquaponics, supporting our workforce, and hanging out with some amazing people. If you are able bodied, demonstrate integrity, and love fish, lettuce, and ladybugs then we would love you to talk to you.

Volunteer Office Assistant
We currently have Office Assistant volunteer opportunities in our Volunteer and Community Outreach Team Office and our Development Office. Our Volunteer and Community Outreach Office is looking for assistance with data entry and administrative tasks. Our development team is looking for some additional assistance researching potential new community partners, donors, and foundations, as well as some administrative support. The time commitment is flexible, weekdays during business hours.

Host A Fundraiser or Donation Drive
Hosting a fundraiser or Donation Drive is a fun way to make a big difference for Solutions for Change families. There are many ways you can raise money; from craft fairs, bake sales, car washes or pledge-a-thons. Donation Drives can bring in much needed supplies for our families, such as bed sheets, cleaning supplies, baby needs or everyday personal items.

Direct Donations:
Like any nonprofit organization, personal financial investments are what keep our programs running. Please let us know if you are interested in donating!

You're Invited!
Interested in learning more about Solutions for Change? Join us for our monthly Open Hour and Tour. Hear a resident's story, and learn more about the impact of the programs that you support as a volunteer from President/CEO, Chris Megison. Spaces limited, so sign up now!
